

## Appearance Style:

8PIN F

## Cable Parameter:

### Physical Specifications

Camera interface	8P Circular connector
Host interface	N.A
Cross section	26AWG
Diameter	5.3±0.15mm
Insulation material	SR-PVC
Shell material	MATT PVC
Color	Black
Minimum bending radius	42mm
Maximum bending cycle	5 million times
Transmission speed	N.A
Tensile properties	50N

Sheet1 : Physical Specifications

### Electrical Specifications

Maximum operating voltage	30V
Resistance	≤148.94Ω/km

Sheet2: Electrical Specifications

### Operating temperature range

Operating temperature range	-20°C-80°C
-----------------------------	------------

: Operating temperature range

### Endurance

Endurance	>3000 Insertion cycle
Contact resistance	30 mΩ
Contact plating	Gold
Plug insulation	PVC

S

### Others

RoHS	✓
UL	✓
