

Appearance Style:

8PIN F

Cable Parameter:

Physical Specifications

Camera interface	8P Circular connector
Host interface	N.A
Cross section	26AWG
Diameter	5.3 ± 0.15 mm
Insulation material	SR-PVC
Shell material	MATT PVC
Color	Black
Minimum bending radius	42mm
Maximum bending cycle	5 million times
Transmission speed	N.A
Tensile properties	50N

Sheet1 : Physical Specifications

Electrical Specifications

Maximum operating voltage	30V
Resistance	$\leq 148.94 \Omega/\text{km}$

Sheet2: Electrical Specifications

Environmental Indicators

Operating temperature range	-20°C-80°C
-----------------------------	------------

Sheet3: Environmental Indicators

Plug Specification

Endurance	>3000 Insertion cycle
Contact resistance	30 mΩ
Contact plating	Gold
Plug insulation	PVC

Sheet4: Plug Specification

Others

RoHS	✓
UL	✓

Sheet5: Others
